

# ZANJ RADIO

[www.zanj.org](http://www.zanj.org)

---

ZANJ RADIO is an internet radio and world music platform streaming a global selection of music 24/7. ZANJ RADIO is also home to a variety of international radio DJs and music centred podcasts that can be heard every weekend at specific times between Friday and Sunday PM -5UTC. Between Mondays and Fridays, ZANJ RADIO streams a commercial free selection of music that spans the globe, traverses genres, mixes mainstream with the underground (or unfamiliar ) and blends the old with the new blissfully, keeping our listeners eagerly anticipating the next song. ZANJ RADIO provides an easy listening experience through our globally curated selection of music. ZANJ RADIO is currently available free at iOS App Store, Google Play Store and Blackberry World.
